ADDRESS

Serving Elk Point and District

The Computer Literacy classes, are a highlight at F.G. Miller.

F.G. Miller Report

Welcome to the first edition of the F.G. Miller Report. Perhaps in the future, we'll come up with a more "catchy" name, but until then the "Report" will suffice. We intend to make this a weekly column through which we hope to communicate to you, sports events, scores of competitions, school functions, upcoming events, Students' Union happenings, programs of study and many other items of interest concerning the school and community.

Our sports program has begun with much enthusiasm, and so far, with a fair amount of success. Mr. Rick Poitras, our new Physical Education teacher, took a group of students to Ashmont for the County Cup Cross-Country meet. Results of all participants are as follows. Out of 78 competitors, Lorne Demchuk came 5th, Murray Palamarek 9th, Kevin Wirsta 7th,

Fabian Kulczycki 13th, Bryce Lorenson 14th, Dean Cameron 16th, Allan Kadutski 18th, Wayne Woytkiw 23rd, Kevin Lesyk 25th, Alfie Gray 39th, Fred Lambright 47th, Troy Metz 49th, Tas Jensen 71st, and Nicky Bugera placed 75th. Of the Intermediate Girls, Barbara Kulczycki won the Bronze medal while Wanda Garriock took the Silver. Cheryl Kadutski placed 6th in the meet.

Elk Point has a full slate of teams entered in the Interschool Volleyball Competitions. Junior High Boys and Girls tackle Ashmont, Glen Avon, Frog Lake, Racette, Saddle Lake, Vilna, Heinsburg, Mallaig, and Keheewin in league play, while the Senior High teams challenge Frog Lake, Heinsburg, Blue Quills, Mallaig, St. Paul Regional, Ashmont, and Saddle Lake. County Cup finals will take place for all teams in mid-November.

Results of Volleyball League play to date are as follows. In last week's action, Junior girls split with Glen Avon 15-9 and 5-15, and defeated Frog Lake 15-5 and 15-13. Junior boys' scores were not reported at the time of this writing. Senior boys beat Ashmont 15-6 and 15-9 Vilna 15-3 and 15-11, and split with Blue Quills 9-15 and 15-14. Senior girls also beat Ashmont 15-13 and 18-16, but split their games with Vilna 14-16 and 15-8. The next series of league games were held at Elk Point October 12th for Senior High and October 13th for the Juniors. In Senior boys competition, Elk Point defeated Heinsburg 15-5 and 15-12, and Mallaig 15-8 and 15-11. The girls beat Heinsburg 15-6 and 15-2, split with Mallaig 12-15 and 15-8, and with St. Paul 15-8 and 7-15. In Junior High play, the girls overpowered Ashmont 15-4 and 16-14, and split with Racette 17-15 and 8-15. The boys lost

both to Racette 9-15 and 2-15, and to Ashmont 13-15 and 10-15.

The coaches of these teams deserve special mention here as their time and energy spent in working with the students is all strictly voluntary. Junior Boys Coach Paul Pentek, Business Education teacher; Junior Girls, Rob Boyd, Elementary School Physical Education; Senior Girls Debbie Poulin, Junior High Science and Physical Education; and Senior Boys coach Richard Poitras, Junior and Senior Physical Education teacher -- your dedication is greatly appreciated.

Further Ed. Update

The Further Ed. office has been very busy taking registrations for classes. This week two "Aerobic" classes are beginning, a "Quilting" class, also the "Re-upholstery" class.

Next week "Oldtime Dancing", "Basic Sewing" and "Oil Painting" begin so get your registrations in. Our office is open

Tuesday, Wednesday and Thursday from 4:30 - 6:30 p.m., phone no. 724-4101. You can also mail in your registration fee, Box 569, Elk Point, Alberta T0A 1A0.

Take a look at your brochure and see what classes you would like to join, or if you can't find what you want advertised, phone the office and we'll do our best to have what you want.

Did you know?

Chris Nelson of Elk Point, Alberta celebrated his 90th birthday on October 15th. He farmed for about 50 years in the Lindbergh area before retiring in Elk Point. Special birthday greetings to Mr. Nelson, an original contract signer of the Alberta Pool, on his 90th birthday.

for some of the school population. Parked outside sat a shiny, almost new G.M.C. 66 passenger.....BUS!!!! Many months of planning, hard work and campaigning, and the generous donations of service clubs and community organizations finally culminated in the purchase of this long-awaited for "prize"! We'd like to thank Herb Spicer of Dewberry for flying our reps down to Olds-Didsbury to pick up the bus, and Don

Goad, mechanic from St. Paul who took time out of his busy schedule to inspect it. More details of this purchase will follow in later articles.

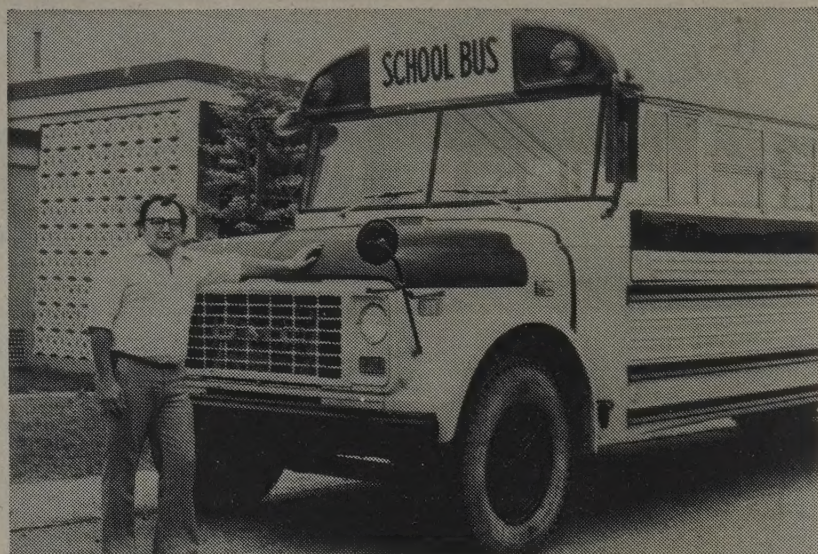

One of the highlights of our school program, the Computer Literacy classes, are going quite well. Mr. Pentek offers two sections of Computer Lit. 10 to mostly grade 10 students (some of course are grade 11, 12, and one adult status student), while

from front page

yours truly (Lawrence Pidluzny) teaches Computer Literacy 8 and 10X. With eight machines in our possession, students should have ample opportunity to spend time at the keyboard. Next week, we will include a brief outline of some of the concepts of skills included in the Computer Literacy curriculum.

A chocolate drive, similar to the one undertaken last year, is now being organized and should be in full swing by October 27th. As our fund-raisers will be limited to two major events this year, we ask for your support as funds from this drive will go towards the operation of all student projects and activities.

Our annual Awards Night will be coming up on November 23rd at 7:30 in the High School gymnasium. We would, at this time, like to extend our appreciation to all

the donors of the awards for their generous contributions. A complete list will follow.

That is it for this week! I'd like to remind all the readers of this column, that we welcome all comments, newsworthy items, and constructive criticisms. If you have something on your mind that you

would like to share with us, please drop a line to:

from slippery/icy road conditions and 5% were alcohol related. I expect the alcohol related accidents would have been much higher but people do not often admit impairment when making an accident report.

Interestingly, most accidents occurred on the 14th to the 18th and the 25th to the 29th day of the month. These would appear to be pay periods but for some reason, no accidents occurred on the 16th day of the month.

Our highest accident time of the day is between 3:00 p.m. and 5:00 p.m. with twenty-two; our second highest period is between 11:00 a.m. and 1:00 p.m. with fifteen and the third highest is between 7:00 a.m. and 9:00 a.m. with nine. A week 5:00 p.m. and 12:00 with a total of thirty-four. No accidents occurred between 9:00 a.m. and 10:00 a.m.

Only 8% of the people involved in accidents wore seat belts of which one was injured, 63% of those involved did not wear seat belts of which 25 were injured. It is not known if the other 29% wore safety equipment or not.

It would seem then, that it is most dangerous to travel in a pickup truck between 3:00 p.m. and 5:00 p.m. on the 14th to the 18th or the 25th to the 29th day of the month and not wear your seat belt, OR drive a passenger car on the 16th day of the month between 9:00 a.m. and 10:00 a.m. and wear your seat belt. Chances are, you will arrive safely at your destination.

From "The Sergeant's Desk"

I recently received the 1982 Traffic Accident Analysis for the Elk Point District, that is, the area policed by the Elk Point R.C.M. Police, and was not too surprised to see what the statistics revealed.

There were 101 accidents of which 204 people and 135 vehicles were involved. Of those people involved, two died and thirty were injured.

31% of the vehicles involved were automobiles and 38% were pickup trucks; of the people injured, 70% were passengers in pickups and 23% were passengers in automobiles. Although this is almost an equal split between pickups and automobiles, three times as many people were injured in pickups. One person was killed travelling in a pickup and one person was killed in an automobile.

From the statistics it was determined that the accidents were caused: 23% from loss of control, 20% from animal action (e.g. deer), 13%

Witches, brooms and brew. Ghosts, goblins and skeletons too.

On Allhallows eve door bells ring and creatures of the night call "trick or treat".

Following are recipes which make economical and delicious treats that are likely to please the wee monsters.

Puffwheat cake, 1/2 C of butter or margarine, 1/2 C of cornsyrup, 1 C brown sugar, 3 Tbsp. cocoa. Melt above ingredients and bring to a boil. Add 1/2 tsp. of vanilla and 8 cups of puff wheat. Press on greased cookie sheet and cut into squares.

Baked caramel corn - 1 C butter or margarine, 2 C firmly packed brown sugar, 1/2 C corn syrup, 1 tsp. salt, 1/2 tsp. baking soda, 6 quarts pop corn. Melt butter in 2 quart saucepan. Stir in

sugar, corn syrup and salt. Bring to a boil, stirring constantly. Boil without stirring 5 minutes. Remove from heat, stir in soda and vanilla. Gradually pour over popped corn, mixing well. Turn into 2 large shallow baking pans. Bake in 250 degree oven 1 hour, stirring every 15 minutes. Remove from oven, cool completely. Break apart. Store in tightly covered containers. Makes about 5 quarts.

Should you wish to offer your little spooks something to warm them on their journey try:

Witches brew - 1 gallon apple cider, three quarters C brown sugar, 4 sticks cinnamon, 2 tsp. whole allspice, 12 whole cloves.

Heat the cider, brown sugar and cinnamon. Tie allspice and cloves in a piece of cheesecloth. Add to cider mixture and heat for 20 minutes. Remove cheesecloth with spices. Serve cider hot or cold in punchbowl. Float slices of lemon and orange on top.

Happy Halloween everyone.

Marnie.

Childrens' Round-up coming soon

The first Childrens Roundup with the Bar G/S Ranch will be held in the Elk Point Baptist Church (Community Services Centre) on Sunday morning of October 30, at 10:30 a.m.

Guest speakers 'Cow-boy Gib' Ellefson and his wife Sue travel all the time with their famous Red Barn which will

appear on stage with them.

Each hour is packed full of the kind of things kids love. Visitors will almost think his dummy and puppets really talk.

Elk Point and district residents are invited to bring their children and stay and enjoy the program themselves. Admission is free.

Elk Point Historical Society Meets

by Irene Magnusson

Thursday, October 13, 1983 saw the first meeting of the season of the Elk Point Historical Society, commencing at 7:30 p.m., in the home of the Chairman, Mary Bennett. Nine members of the eleven member board were

present.

Following reading of the minutes of the regular meeting of last spring, Lawrence Modin gave the financial report, showing the Society to have a good working balance. Income since last

April has been far outstripped by expenses, however these included the Society's input toward the Elk Point Canada Day celebrations. Sales of "Reflections", the group's history of Elk Point book, has continued - slow but

steady.

Sid Holthe reported on the Canada Day costs and outcome, which saw the Society receive a refund of \$75 in unused contributions. Monies were refunded to other groups, as well, he stated. There should be a Balance Sheet forthcoming to those who contributed, Holthe said, for their information.

Chairman Bennett reported that the float entered in the Elk Point Lioness' Parade had won first prize in its category, an amount of \$30. This was voted to be donated to the Lioness' Club. Bennett further revealed that the old Union Jack flag, donated to the Historical Society a few years ago by Mrs. Bea Sumpton for use on the float and for historical purposes, had been stolen from the float the evening before the parade.

This dispicable theft has not been resolved and no doubt the thief feels very smug to have perpetrated this senseless crime.

Perhaps now, with Crimestoppers coming to Elk Point, someone will come forward with knowledge of the guilty party.

The committee inquiring into pins for the group reported, and a design was chosen, created by Ila Borowsky. These will be ordered and available to members as soon as possible.

Frank Mayner reported on development regarding the Ft. George/Buckingham

House project and the communications between the group involved with this and the government bodies responsible. There has been little activity since last summer, and the enthusiasm seems to have waned on the government side, due to a shortage of funds.

The group studying the feasibility of the restorations have found much has been destroyed in the Buckingham House site, although there is

more documentation on it than for the Fort George area.

The Society urged continuing action, through as many avenues as possible, and those members who also serve on the restoration committee are to continue to press for action.

The next meeting of the Society will be December 5th, and this will be the Annual meeting. Correspondence from the Elk Point Social Club, a

group organized by persons from Elk Point now living elsewhere, indicated that it has been inactive in recent years and would fold unless new executives were recruited immediately. The Historical group didn't feel inclined to take this on.

Playschool off to good start

The playschool got off to a real good start this year, with 67 children over the three day period. This was too many children, for the present days of operation, so the F.C.S.S. Board has decided to run the playschool five (5) half-day periods per week, on a trial basis.

They are: Monday, 9:15 - 11:45; Tuesday, 9:15 - 11:45 and 12:30 - 3:00; Wednesday, 12:30 - 3:00; Thursday,

Whist winners

Pioneer Circle whist winners on Oct. 7th.

Ladies - 1st prize Tille Shymkiw with a score of 142, 2nd prize Ann Buck 140, 3rd prize Marg Clark 138, boobie prize Lena Kryvenchuk 107.

Men - 1st. prize Shanky Kryvenchuk with a score of 137, 2nd. Nick Pelech and John Palinka tied for 2nd and 3rd, 134. Boobie prize G. McKenzie 123.

12:30 - 3:00.

Your child may still go for 1, 2 or 3 half-day periods, per week, for \$15.00 a month. However if your child were to go all day Tuesday, you would be responsible for picking your child up at 11:45 a.m. and returning your child at 12:30 p.m.

All parents, who presently have children enrolled, will be contacted as to what days they would like their child to go to

playschool.

For any new parents, please contact the F.C.S.S. office at 724-3800 or Linda Briggs at 724-2171 or just come to the playschool on anyone of those days of operation.

For the month of October our Basic Themes are: 1) Get acquainted; 2) Fall; 3) Hallowe'en.

The songs are: 1) How we like to go to

playschool; 2) We eat turkey; 3) The leaves are falling on the ground; 4) We dress up on Hallowe'en; 5) The ghosts are flying

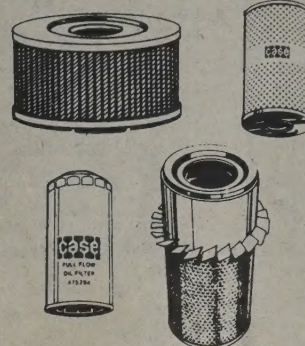

Lakeland Review, October 19, 1983, Page 7 all around.

We will learn, through play, the Numbers 1, 2, & 3, the Letters, A, B, C, & D,

the Colors Orange and Black, and play games and read stories. For Hallowe'en we will have a party and make Jack-O-Lanterns.

Workshops for native women

The organization of the Alberta Assembly on Indian Rights for Indian Women is a non profit organization, we have been in existence for some 15 years.

Our aim is to help Native women and their children who have been affected by the Indian Act. Under the provisions of the Indian Act, any Native women who marries a non status man loses her status and her rights.

We will be hosting a series of workshops at Bonnyville, on the 22 October (Bonnyville,

Agriplex) the workshops will include, suicide prevention (Native suicides are the highest in Canada), a workshop on battered wives (provided by Women's shelter, Cold Lake), self esteem (search for identity) and a workshop on herbs and health by Happy House, St. Paul.

All workshops will start at 9:00 a.m. and again at 1 p.m.

In addition to the workshops will be a swap-meet and hand-games.

Everyone is welcome to attend.
